AID Form 750

Legend

Table 109

Notes:

1. Black completed is sample; are mandatory. Black not completed are not.

2. Dependent on current shipping configuration, other operational and/or main.

3. Diagram illustrating where items are located in the cargo compartment.

4. AID Form 750 (Packing List) is required for each item packed in a box.

5. Road Line: Above "red line" road reflects items loaded on the main.

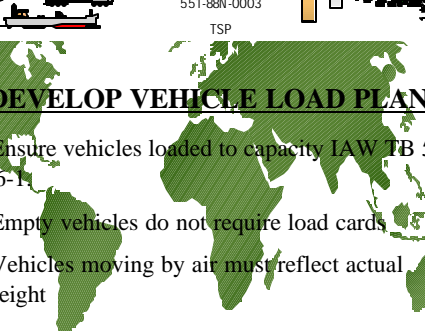

6. Road Line: Below "red line" road reflects items loaded on the main.

7. Total weight of load plus the empty weight of the vehicle (AC on 10).

8. Total weight of items loaded above the "red line", plus the empty weight of the vehicle (AC only).

NOTE: Do not exceed allowable gross country weight. DA Form 750 - 1, Shipping Unit Vehicle Data and Load Handling, is an authorized substitute for FORSCOM 263-R and DDF Form 1750. See FM 55 for instructions.
